

GLOBAL PORTFOLIO

Powered By Innovation Munchkin Started In 1990...

when founder and **CEO**, **Steven B. Dunn**, was inspired to create better baby and toddler products. Using smart design, Steven saw an opportunity to make a difference in the lives of families around the world.

Our Principles

- **▼** Creativity
- ▼ Innovation
- **▼** Credibility

Through our every success and challenge, Munchkin's principles remain at the core of everything we do: creativity, innovation, and credibility. This has shaped us into the largest and most loved baby global lifestyle brand in the world.

FEEDING

Be prepared for a snack attack!

Set the table for a fun time with Munchkin's wide selection of plates, bowls, utensils, feeders and snack containers. As baby graduates from bottles to solids, it's time to fill your cupboards with our dish sets and snack catchers. Shop utensils with White Hot® technology to help avoid unwanted burns when feeding.

DIAPER & POTTY

Reporting for diaper duty!

Changing dirty diapers may as well be a rite of passage into parenthood, but we're here to help every step of the way! Munchkin offers diaper pails, refill bags, and accessories to keep odors at bay and your nursery always smelling fresh. We can also set you and your toddler on the path to toilet training success with potty seats, little potties, and more.
